

COMSTOCK CHAPTER

of the AMCA

Antique Motorcycle
Club of America

Membership Application

The Comstock Chapter was founded by eight antique motorcycle enthusiasts in June 2014 and became an official chapter of the Antique Motorcycle Club of America (AMCA) on February 8, 2015.

The Comstock Chapter is devoted to sharing information, techniques and history about motorcycles that are at least 35 years old. Our chapter is enthusiastic about preserving and promoting historic restoration of motorcycles, motorcycling memorabilia and just having fun riding old motorcycles. For information regarding the Comstock Chapter visit the chapter website: comstock-amca.org. If you have a passion for antique motorcycles, join the Comstock Chapter of the Antique Motorcycle Club of America. We hold regular meetings and have many rides and events planned throughout the year. Yearly chapter dues are \$20.

*You must be a member of the National AMCA to join the Comstock Chapter of the AMCA, such as the Comstock Chapter. National membership provides the benefits of the National club, including the AMCA magazine, access to the AMCA forum, and other special privileges. To join the National Club please visit the AMCA website, antiquemotorcycle.org.

Please print and send completed application to:

Comstock Chapter AMCA
